Kala kauwa kaat khayega song sung by Sonu Nigam and Shreya Ghoshal in bollywood movie.Q: OpenCV 2.0 Frame Grabber can't find video I was trying to get a Frame Grabber to work with OpenCV 2.0. I downloaded the snapshot that comes with the OpenCV 2.0 distribution and only modified it to include the video input component. I also include the ICV code. When I run the program, I get the message "Could not find video feed" in the console. I know there is a VideoCapture class in OpenCV 2.0 and I've been able to get other classes like Camera and FeatureDetector to work with a frame grabber, but this one has me stumped. Does anybody have any suggestions? Thanks! #include #include #include #include #include "cv.h" #include "highgui.h" using namespace std; using namespace c
